Information Sheet – Spring Hanging Baskets Fundraiser

Voucher Program

As an alternative to our original hanging basket fundraiser where people order a specific basket we went to a voucher program a few years ago, we took a break from fundraising events of this sort and are now bringing it back in 2018. Your fundraising group sells vouchers for 12" hanging baskets which can be redeemed at our Fort McMurray location.

The baskets are grown at our greenhouses in Fort McMurray. We grow numerous varieties in combinations of plants in 12" diameter green baskets that can be picked up or club members can deliver if that is what their customers want.

There are several added benefits to the hanging basket voucher fundraising program:

1. The person participating in your fundraiser can select their own basket or baskets from our large variety of 12" hanging baskets grown at our garden center - 2500+ or they can ask their seller to deliver them.
2. Your supporters(customers) are not limited to the varieties on a customer order sheet
3. You would not be responsible for delivering any baskets-you would simply be selling a voucher.

How it works

In March and April your group member takes vouchers from the club organizer who keeps track how many each club member has that we have supplied you with. Each voucher is worth whatever we all have agreed to prices in the case of the Basket Program is \$40.00. The vouchers are numbered and we will record the vouchers that have gone to your fundraiser group. We ask that you treat the vouchers as cash-any lost vouchers will be your responsibility. The vouchers can then be redeemed by your supporters (customers) for one 12" hanging basket at Dunvegan Gardens between May 1st and June 15th.

Cost & Profit

Please contact Mike Bayot at 780-791-4363 or dunvegangardens@yahoo.ca, or Brad Friesen at 780-791-4363 or bvfriesen@yahoo.com.

Sales Period and Deadline

This program is an excellent fundraiser for March and April. Vouchers should be sold to your supporters prior to April 10th and your group's total voucher order should be submitted to Dunvegan Gardens no later than April 15th. If we sell more than anticipated this gives us time to plant up more baskets.
